pdeKane@bodmanlaw.com

Philip DeKane is a senior paralegal in the Banking and Finance Practice Group. He joined Bodman in 2005.

Philip's experience covers multiple phases of the commercial lending process. He assists attorneys with the documentation of single-lender as well as multi-bank agented and syndicated loan transactions, general commercial loans, commercial real estate financing and cross-border transactions. In addition to working with national and regional financial institutions, he also has experience assisting corporate clients, including private equity firms, with general business, borrowing and financing transactions.
