fdindoffer@bodmanlaw.com

Mr. Dindoffer assists clients with a wide variety of environmental matters, including Brownfield redevelopment matters (including obtaining grants and tax incentives), environmental litigation, obtaining environmental permits, counseling them with respect to their responsibilities on environmental matters, and performing necessary due diligence and planning for corporate acquisitions, real estate purchases and financing.

Mr. Dindoffer has extensive experience in environmental considerations of lending institutions, including both commercial lending and environmental matters that relate to fiduciaries. He has both brought and defended numerous cleanup cost recovery suits, has represented clients seeking insurance coverage for environmental cleanup matters and has extensive involvement with multi-party litigation.

Mr. Dindoffer has served as common counsel in numerous Superfund sites and has acted as coordinating counsel in related litigation. He has represented municipal clients in environmental compliance matters and related litigation and serves as lead counsel to a local government in long-running environmental litigation involving remediation of groundwater contamination which has involved appeals to the Michigan Court of Appeals and Supreme Court.
